**Summary Profile:**

Currently I am a doctoral candidate in the School of Development Studies, Tata Institute of Social Sciences, Mumbai and working on Migration & Development under the supervisor of Dr. R.Ramakumar. I have been completed M.Phil in Population Studies from International Institute for Population Sciences (IIPS), Mumbai in June, 2013. Masters in Population Studies (MPS) with specialization in ‘Urban and Regional Planning’ from IIPS, Mumbai in 2012 and Masters in Geography with specialization in ‘Remote sensing and GIS’ from **Banaras Hindu University** (BHU) in 2011. Competent in handling large scale survey and Census data and produce research papers using various sophisticated statistical software packages. Knowledge is in both qualitative and quantitative analysis. I have been qualified UGC-NET/JRF in December 2012.

Career Objective:

Looking for a challenging career to meet my competencies and education; apply rigorous thinking and inquisitive attitude towards learning more. Research is the first preference.

Professional Interest:
