### WORK EXPERIENCE

**June 2022-Feb 2023**      **Individual Consultant-** United Nations Population Fund, Pacific Office

Responsibilities:

- Develop analytical tables for census monographs.
- Perform gender analysis of the 2017 Population and Housing Census, Fiji
- Wrote a thematic report on gender in Fiji.

**Oct 2019 -Dec 2022**      Statistical Coach – Division for Postgraduate Studies, University of the Western Cape, Cape Town.

Responsibilities: I assisted over 150 postgraduates and academic staff across different disciplines at the University of the Western Cape with:-

- Questionnaire validity assessment.
- Questionnaire design and formulation.
- Research methodology
- Survey design.
- Data preparation and cleaning.
- Descriptive data analysis
- Inferential data analysis.
- Data analysis and presentation
- Result Interpretation

**May 2017-Sep 2018**      Research Intern- Implementation Science, Wits Reproductive Health and HIV Institute, Parktown Johannesburg.

Responsibilities: I effectively captured data and did quality checks for the Safer Conception project. Likewise, I assisted other projects in the department to:

- Conduct literature reviews.
- Conduct data analysis according to the agreed data analysis plan.
- Wrote reports and disseminated research findings internally and externally including presentations at research days and conferences.
- Wrote and contribute to peer-reviewed publications.

**Dec 2013-Sep 2014**      Teacher- Community Secondary School Umuokpu-Awka, Nigeria. National Youth Service Corp batch 2013C

Responsibilities: I taught more than 100 students in junior secondary school two computer studies.

- I marked and recorded their assignments.
  - Instructed them on how to operate the computer system.
  - Assisted in the computer laboratory.
- 

### EDUCATION

**2022:** Ph.D. Population studies, University of the Western Cape, Cape Town South Africa.

Thesis: The dynamics of modern contraception among sexually active unmarried adolescents in Nigeria

**2017:** Master of Art in Demography and Population Studies, University of the Witwatersrand Johannesburg, South Africa.

Dissertation: Couple asymmetry and modern contraceptive use among young married women in Nigeria.

**2015:** Bachelor of Art Honour's degree in Demography and Population Studies, University of the Witwatersrand Johannesburg, South Africa.

Project: Type of employment and fertility among women in Nigeria.

Achievement: Postgraduate merit award (2016) from the University of the Witwatersrand.

**2012**: Bachelor of Science degree in Demography and Social Statistics, Obafemi Awolowo University Ile-Ife, Osun State Nigeria.

Project: The influence of modern contraceptive use on fertility among currently married women in Southwestern Nigeria.

### **Additional training/short courses**

20 June 2022-8 July 2022: Computational Social Science-Summer Institute of Computational Social Science (SICSS-IPATC/JIAS)

2019: Capacity building for young Researchers on policy communications.

2018: Good clinical practice.

2018: Protecting life in global health assistance and statutory abortion (1&2) - Global Health eLearning Center

2018: Protecting Human Research Participants -National Institutes of Health (NIH)

2018: Clinical Research Study Coordinator Course - WITS Health Consortium

2019: IPUMS Census and Survey Microdata Workshop – 8<sup>th</sup> African Population Conference

QGIS basics

---

### **SKILLS**

**Technical skills-** STATA, SPSS, R Microsoft office, Zotero, Endnote, and REDCAP

Statistical data collection, management, and analysis

Demographic methods

Data presentation

Report writing and presentation.

**Personal skills-**Critical thinking, Critical analysis, Planning, and scheduling.

Multi-tasking between and within projects.

Stay abreast with relevant research findings.

Teamwork

Time management

---

### **RESEARCH OUTPUTS**

#### **Publications**

**O Ojoniyi, S Frade.**(2023). Couple Asymmetries and Modern Contraceptive Use among Young Married Women in Nigeria. *Pop Rev* 2023 62(1), 71-85; <https://doi.org/10.1353/prv.2023.0002>
