

# Md. Irfan Hossain

House#73, Road#3, Mohammadi Housing Ltd., Mohammadpur, Dhaka-1207, Bangladesh  
irfan.du@gmail.com · Cell: +88-01717045611 · <https://www.linkedin.com/in/irfan13/>

Md. Irfan Hossain, a Ball State graduate, is an experienced statistician, social researcher and academician on demography, social research regarding adolescents, youth development, workplace programming, reproductive health, maternal and child health, program management, M&E, population dynamics, and HIV/AIDS. He has a proven track record in teaching graduate level courses (4 years+) both in-person and remote settings. Throughout his educational attainment at Ball State University, USA and professional attachment with Independent University, Bangladesh; Mr. Hossain has gained excellent knowledge and skills in teaching and communicating effectively among graduate level professional students as well as faculty members on different development issues. Also, as a social researcher at the Population Council with more than 10 years of experience, Mr. Hossain demonstrated his competence in providing project deliverables, building partnership with stakeholders, and managing programs and projects with his impeccable interpersonal and communication skills. He can communicate in Bangla, English & French. Currently, besides serving the Population Council as a part time capacity, he is teaching at *Department of Public Health, Independent University, Bangladesh* and at *Media Studies & Journalism Department, University of Liberal Arts Bangladesh (ULAB)* as an adjunct faculty in remote settings.

## EMPLOYMENT

### Adjunct Faculty

Independent University, Bangladesh  
Sep 2019 – Present  
University of Liberal Arts Bangladesh (ULAB)  
Feb 2021 – Present

### Senior Program Officer (Part-time)

Population Council  
Feb 2021 – Present

## EDUCATION

**MBA in Finance**, Evening MBA program, University of Dhaka, Bangladesh: June 2016 (GPA: **3.2/4**)

**Diploma in Population Sciences**, University of Dhaka, Bangladesh: July 2012 (GPA: **3.88/4**)

**MA in Statistics**, Ball State University, USA: May 2011 (GPA: **3.92/4**)

**MS in Statistics**, University of Dhaka, Bangladesh: November 2008 (**1<sup>st</sup> class**)

**BSc in Statistics**, University of Dhaka, Bangladesh: May 2006 (**1<sup>st</sup> class**)

## EXPERIENCE (ACADEMIC)

- **Adjunct Faculty**, Feb 2021 – Present: University of Liberal Arts Bangladesh (ULAB), Media Studies & Journalism Department, Graduate Program Coordinator: Dr. Sarkar Barbaq Quarmal, Responsibilities:
  - Have been teaching the course – *Data and Statistics for Social Sciences* in Masters in Communication program in weekends
- **Adjunct Faculty**, Sep 2019 – Present: Independent University, Bangladesh, Department of Public Health, Academic Program Coordinator: Dr. S. M. Raysul Haque, Responsibilities:
  - Have been teaching the course – *Population and Health Services Projection* in MPH program in weekends
- **Adjunct Faculty**, May 2018 – Aug 2018: Independent University, Bangladesh, Department of Public Health, Academic Program Coordinator: Dr. S. M. Raysul Haque, Responsibilities:
  - Taught a course – *Population and Health Services Projection* in MPH program in weekends
- **Adjunct Faculty**, Sep 2016 – Dec 2017: Independent University, Bangladesh, Department of Public Health, Supervisor: Dr. Dipak K. Mitra, Responsibilities:
  - Taught courses & components - *Data management, Demography, Regression, and, Population & Health Services Projection* in MPH program in weekends

- **Adjunct Faculty**, Jun 2014 – Nov 2014: University of Dhaka, Department of Population Sciences, Supervisor: Prof. Mohammad Bellal Hossain, Responsibilities:
  - Taught Sampling, Data collection techniques, Data management, and, Data analysis (Quantitative) of the course **MPS 608: Operations Research** in professional MPS (evening) program
- **Graduate Assistant**, Aug 2009 – May 2010: Ball State University, Learning Center, Supervisor: Mr. Gary Ritz, Responsibilities:
  - Tutored and guided undergraduate students in their mathematical difficulties in Pre- Calculus, Algebra, Intermediate Algebra and Mathematics & Applications
  - Graded assignments, proctored exam halls and took care of the classes when the faculties were unavailable

## **EXPERIENCE (RESEARCH, SURVEY, DATA MANGEMENT & ANALYSIS)**

- **Senior Program Officer**, Feb 2021 – Present: Population Council, Dhaka, Reporting officer: Dr. Sharif Mohammed Ismail Hossain, Responsibilities:
  - Served as a part-time Data Manager and provide technical assistance in surveys (using **SurveyCTO**)
- **Senior Program Officer**, Jan 2020 – Jan 2021: Population Council, Dhaka, Reporting officer: Dr. Sharif Mohammed Ismail Hossain, Responsibilities:
  - Served as a Survey Manager of **“Assessment of Livelihood and Skills Development Opportunities for Young Rohingya Populations in Bangladesh”** a need assessment research study (using **SurveyCTO**)
  - Also served as a Project Coordinator of **“Frontline Health”** project’s two different studies in Bangladesh involving liaison maintain with govt. officials of DGFP and DGHS, survey management, training the interviewers and maintain data quality for remote data collection FP client follow-up and end line surveys during COVID-19 pandemic (using **SurveyCTO**)
  - Served as a Data Manager of **“Operations Research on Keeping Girls in Schools to Reduce Child Marriage in Rural Bangladesh”** an operations research funded by UNICEF to conduct 3 rounds of rapid surveys among adolescents in 3 districts where remote data collection took place (using **SurveyCTO**)
- **Program Officer**, May 2015 – Dec 2019: Population Council, Dhaka, Reporting officer: Dr. Sharif Mohammed Ismail Hossain, Responsibilities:
  - Served as a Data Manager of **“Operations Research on Keeping Girls in Schools to Reduce Child Marriage in Rural Bangladesh”** an operations research funded by UNICEF
  - Maintained monitoring cloud-based server & data management involving monitoring tools development, transferring to apps-based tools, provide training to field level staffs, frequent field visit to ensure data quality and provide refresher training if necessary (using **SurveyCTO**)
  - Served as an M&E Manager of **“SANGJOG, a better program for better SRHR for young people vulnerable to HIV in Bangladesh”** a HIV/AIDS focused project including liaison maintaining between Population Council and lead organization Population Services and Training Center (PSTC), donor and stakeholders
    - **Analyzed data and wrote report** including monitoring, progress, final evaluation reports and scientific abstracts
    - Served as a Program Manager of **“Evaluation of effectiveness of HER (Health Enable returns Project) model on improving sexual and reproductive health and rights (SRHR) knowledge and access of female factory workers in the garment sector in Bangladesh”** an Implementation Science Operations Research study project including liaison maintaining among partners, donors and stakeholders
      - Conducted in-depth interviews with factory managements and analyzed qualitative information
      - Analyzed data and wrote several reports including field visits, progress reports and scientific abstracts
      - Supervised Research Officer’s daily work
- **Assistant Program Officer**, Jan 2013 – Apr 2015: Population Council, Dhaka, Reporting officer: A. K. M. Zafar Ullah Khan & Johana Ahmed Tima, Responsibilities:

o Managed surveys & data involving recruitment of female supervisors and interviewers, recruitment of data entry operators, provided training, monitored data collection works, supervised data entry works and checked quality of data concerning -

- ***“Strengthening Union Health and Family Welfare Centers for Providing Round- the-Clock Normal Delivery Services”*** an Action Research study’s baseline survey
- ***“Assessing views and opinions of Link Up Service Providers”*** an Action Research study’s baseline survey (using **CS-Pro**)
- ***“Evaluation of the Link Up intervention among young vulnerable female population in Bangladesh”*** an Action Research study’s baseline survey (using **CS-Pro**)
- ***“Understanding factors influencing adverse sex ratios at birth in South Asia and exploring what works to achieve balance: Bangladesh”*** a Cross-section study’s survey (using **CS-Pro & SPSS**)

o Prepared dataset, finalized code book, managed **M&E data**, wrote reports concerning ***“BALIKA: Bangladesh Association for Life skills Income and Knowledge for Adolescents”*** a Randomized Control Trial study’s Baseline survey (using **SPSS & Excel**)

o Provided training the interviewers, assisted in household enumeration and GPS coordinates collection from clusters, drawn samples, prepared dataset, managed **M&E data**, wrote reports and scientific abstracts concerning ***“Growing up Safe and Healthy (SAFE): Addressing Sexual and Reproductive Rights and Violence against Women and Girls in Urban Bangladesh”*** a Randomized Control Trial study’s Endline survey (using **SPSS & Excel**)

• **Senior Research Officer**, May 2011 – Dec 2012: Population Council, Dhaka, Reporting officer: Dr. A. K. Ubaidur Rob & Laila Rahman, Responsibilities:

o Provided randomization in study site selection, drawn samples, prepared Dataset, finalized code book, analyzed data, wrote reports concerning ***“Growing up Safe and Healthy (SAFE): Addressing Sexual and Reproductive Rights and Violence against Women and Girls in Urban Bangladesh”*** a Randomized Control Trial study’s Baseline survey (using **SPSS & Excel**)

o Assisted in developing **quantitative monitoring software** for SAFE study and act as Project Manager (SAFE) for 3 months

o Checked consistency & analyzed data concerning ***“Evaluation of Voucher and Accreditation Interventions for Improving Business Models Applied to Reproductive Health (RH) Service-delivery Platforms”*** a Quasi Experimental study’s Baseline survey (using **SPSS**)

o Supervised Research Officers’ and Research Assistants’ daily work

• **Research Assistant**, Aug 2010 – Apr 2011: Ball State University, Department of Mathematical Sciences, Supervisor: Dr. Munni Begum, Responsibilities:

o Reviewed literature, collected Data, analyzed data concerning a specific topic of Meta-Analysis (using **SAS, R and winBUGS**)

• **Assistant Researcher**, Feb 2008 – Apr 2008: Bangladesh Center for Development, Journalism and Communication (BCDJC), Supervisor: Mohammad Ahsan Uddin, Responsibilities:

o Analyzed data concerning ***“Madrashah Education in Bangladesh”*** a Cross-sectional study (Using **SPSS**)

## **EXPERIENCE (CONSULTANCY)**

• Freelance Consultant, Oct 2019 – Nov 2019: Institutional Quality Assurance Cell (IQAC), University of Liberal Arts Bangladesh (ULAB), Reporting person: Dr. Jude William Genilo, Director, IQAC, ULAB, Responsibilities:

o Served as a consultant to manage and analyze quantitative data, to write a report and to present findings before university authority on a survey of ***Institutional Quality Assurance Survey Report 2019***

• Freelance Consultant, May 2019: IQAC, ULAB, Reporting person: Dr. Jude William Genilo, Director, IQAC, ULAB, Responsibilities:

- Served as a consultant to conduct qualitative in-depth interview (IDI) with selected Academic Staff and Non-academic Staff, to analyze thematically, to write report based on analysis and to present findings before university authority on ***Follow up Study on the Institutional Quality Assurance Survey Report 2018***
- Freelance Consultant, Jan 2018: MDF training and consultancy services – Bangladesh Office, Reporting person: Thilakan Sathasivam, Director, MDF training and consultancy services – Bangladesh Office
  - Served as a consultant to analyze quantitative survey data on ***End line evaluation of SRHR education in UCEP schools 2017***

## RELEVANT COURSE WORK

### Major Courses Studied in Diploma in Population Sciences

- Population Dynamics of Bangladesh

### Major Courses Studied in Master of Business Administration in Finance

- Introduction to Finance
- Financial Accounting & Reporting
- Managerial Economics
- Managerial Finance
- Principles of Marketing
- Business Communication
- **Business Research Methodology**
- International Financial Management
- Strategic Management
- Corporate Finance
- Financial Statement Analysis & Valuation
- Investment Analysis

### Major Courses Studied in Master of Arts in Statistics

- Experimental Design
- Mathematical Statistics 1 & 2
- Probability Theory 1 & 2
- Regression and Time Series Analysis
- Sampling
- **Research Methodology in Statistics**
- Generalized Linear Model
- Monte Carlo Simulation

### Major Courses Studied in Master of Science in Statistics

- Applied Multivariate Analysis
- Advanced Stochastic Process
- Theory of Inference
- **Sampling Theory**
- Design and Analysis of Experiments
- Advanced Bio-statistics
- Econometrics
- Thesis

### Major Courses Studied in Bachelor of Science in Statistics

- Introduction to Statistics, Probability, **Sample Survey** and Computers
- Principles of Economics
- Fundamentals of Mathematics, Numerical Mathematics
- Calculus -1 & 2
- Linear Algebra
- Economic Statistics and Times Series Analysis
- **Test of Hypothesis**
- Epidemiology
- Demography
- Multivariate Analysis
- Stochastic Process
- Biostatistics
- Operation Research
- Industrial and Official Statistics
- **Research Methodology**

## LANGUAGE PROFICIENCY

- Bangla Level: *Native*
- English Level: *Excellent*
- French Level: *Basic*

## SKILLS IN ACADEMICS AND RESEARCH

- Quantitative Analysis (Analyzed large datasets e.g. BDHS datasets, Survey datasets of the Council's projects)

- Qualitative Analysis (Conducted and analyzed a number of focus group discussions (FGDs), key-informant interviews (KIIs) & in-depth interviews (IDIs) as a facilitator and/or interviewer)
- Data management (Recruiting, training and supervising Data Entry Operators and procuring services from vendors for data entry works)
- Apps based survey tools development and server maintenance (CSPRO and **SurveyCTO**)
- Report writing
- Proficient with Microsoft Office Suite, Adobe Illustrator CC, R, **SPSS & STATA**

## ACHIEVEMENT

- Partial scholarship to attend 9th Asia Pacific Conference on Reproductive and Sexual Health and Rights (APCRSHR) in Vietnam - November 2017
- Travel support to attend training workshop on Social Media, Big Data and Digital Demography at University of Cape Town, and International Population Conference 2017 by IUSSP, South Africa - October 2017
- Full scholarship to attend Women Deliver 2013 Conference, Malaysia – May 2013
- Winter School in Fundamentals and Methods for Impact Evaluation in Population Studies (IEPS) University of Padova, Italy – Scholarship 2012
- South Asian Network to Address Masculinities (SANAM) Fellowship 2012
- Sweden-Bangladesh Trust Fund Travel Grant 2010
- Graduate Assistantship, Department of Mathematical Sciences, Ball State University, Muncie, IN, USA, Fall 2009 to Spring 2011
- Government of Bangladesh Merit Scholarship, B.Sc. (Hons.) result Academic year 2005

## PUBLICATION

- Begum, M., Horowitz, J. & **Hossain, M. I.** (2012). Low-Dose Risk Assessment for Arsenic: A Meta-Analysis Approach. *Asia Pac J Public Health* March 2015 27: NP20-NP35, first published on November 27, 2012 doi:10.1177/1010539512466568

## CONFERENCE/ INVITED PRESENTATIONS

- **Hossain, M. I.**, Mahmud, A. A., Rob, U. & Bajracharya, A. 'Awareness of HIV/AIDS among female garment workers in Bangladesh'. Paper presented at the 2nd National Conference on Sexual and Reproductive Health and Rights at Workplace, University of Dhaka, Dhaka, Bangladesh. 17<sup>th</sup> September 2019 (Presenter).
- **Hossain, M. I.**, Bajracharya, A., Mahmud, A. A., Reichenbach, L., & Rob, U. 'Can a peer health educator model improve the family planning and reproductive health outcomes among female garment workers? – Evidence from Bangladesh.' Paper presented at the International Conference on Family Planning (ICFP) 2018, Kigali, Rwanda. 13<sup>th</sup> November 2018 (Presenter).
- **Hossain, M. I.** 'Improving Sexual and Reproductive Health and Rights (SRHR) status among female factory workers in Dhaka division with peer health educator model: Evidence from HERhealth model Evaluation

study'. Paper presented at the 1st National Conference on Sexual and Reproductive Health and Rights at Workplace, University of Dhaka, Dhaka, Bangladesh. 19<sup>th</sup> September 2018 (Presenter).

- **Hossain, M. I.** 'Evaluation findings of the HERhealth model in Bangladesh'. Invited presenter at Satellite session A2: Improving Sexual and Reproductive Health through Workplace Interventions in South and Southeast Asia, 9th Asia Pacific Conference on Reproductive and Sexual Health and Rights (APCRSHR), Ha Long Bay, Vietnam. 28<sup>th</sup> November 2017 (Presenter).
- **Hossain, M. I.**, Mahmud, A. A., Rob, U., Bajracharya, A., & Reichenbach, L. 'Impact of peer health educator model to improve the Sexual and Reproductive Health and Rights (SRHR) status among female factory workers in Bangladesh.'. Poster presented at the 9th Asia Pacific Conference on Reproductive and Sexual Health and Rights (APCRSHR), Ha Long Bay, Vietnam. 27<sup>th</sup> to 29<sup>th</sup> November 2017 (Presenter).
- **Hossain, M. I.**, Bajracharya, A., Mahmud, A. A., Reichenbach, L., & Rob, U. 'Does a peer health educator model improve the Sexual and Reproductive Health and Rights status among migrant female garment workers in Bangladesh?'. Poster presented at the International Population Conference 2017 of IUSSP, Cape Town, South Africa. 30<sup>th</sup> October 2017 (Presenter).
- **Hossain, M. I.** 'Evaluation of the effectiveness of the HERhealth model for improving sexual and reproductive health and rights knowledge and access female garment factory workers in Bangladesh'. Presented on the occasion of dissemination seminar on final evaluation findings of BSR/HERhealth model project. Dhaka, Bangladesh. 26<sup>th</sup> October 2017 (Presenter).
- **Hossain, M. I.** 'Sexual and reproductive health and rights situations of female factory workers in the garment sector in Bangladesh: Evidence of BSR's HERhealth Model'. Presented at the National SRHR conference at Bangla Academy, Dhaka. 4<sup>th</sup> May 2016 (Presenter).
- **Hossain, M. I.**, Mahmud, A. A., Bajracharya, A., & Rob, U. 'Exploring sexual and reproductive health (SRH) knowledge and behaviors of recent migrant workers of Dhaka'. Poster presented at the Annual Meeting of Population Association of America (PAA) Annual Meeting, Washington D.C., USA. 31<sup>st</sup> March 2016 (Presenter).
- **Hossain, M. I.**, Mahmud, A. A., Rob, U., & Bajracharya, A., 'Factors determining sexual and reproductive health (SRH) related knowledge and behaviors of migrant female garment workers of Dhaka'. Invited presenter at the second international conference on theory and application of statistics 2015, University of Dhaka, Dhaka, Bangladesh. 29<sup>th</sup> December 2015 (Presenter).
- Ainul, S., **Hossain, M. I.**, Haque, E. F., Naved, R. T., Bajracharya, A., & Amin, S. 'Impact of an Integrated Intervention on Sexual and Reproductive Health Knowledge and Practices of Women and Girls-Evidence from Urban Slums of Dhaka'. Paper presented at the 3<sup>rd</sup> Asian Population Association (APA) conference, Kuala Lumpur, Malaysia. 28<sup>th</sup> July 2015.
- **Hossain, M. I.**, Ainul, S., Haque, E. F., Naved, R. T., Bajracharya, A., & Amin, S. 'Knowledge and practices associated with sexual and reproductive health among slum living young women: Impact of a cluster randomized controlled trial in Dhaka, Bangladesh'. Paper presented at the Annual Meeting of Population Association of America (PAA) Annual Meeting, San Diego, California, USA. 30<sup>th</sup> April 2015 (Presenter)
- **Hossain, M. I.**, Ainul, S., Parvin, K., Rahman, T., & Naved, R. T. Panel discussion on impact evaluation of the action research 'Growing up Safe and Healthy (SAFE): Addressing Sexual and Reproductive Health and Rights and Violence against Women and Girls in Urban Bangladesh' project. Dhaka, Bangladesh. 15<sup>th</sup> December 2014 (Panelist)
- Amin, S., Ainul, S., Akter, F., **Hossain, M. I.**, & Kundu, S. 'Evidence to Programs: Expanding Opportunities for Adolescent Girls'. Panel discussion on the occasion of dissemination seminar on baseline findings of "BALIKA: Bangladeshi Association for Life skills, Income and Knowledge for Adolescent Girls" project. Dhaka, Bangladesh. 20<sup>th</sup> November 2014 (Panelist)
- Ainul, S., **Hossain, M. I.**, Bajracharya, A., Amin, S., Jahan, S. N., & Naved, R. T. 'Are menstrual regulation clients also at high risk of intimate partner violence? Evidence from Dhaka slums'. Presented at

International Seminar on Decision-making regarding abortion—determinants and consequences, Nanyuki, Kenya. 3<sup>rd</sup> June 2014

- Rahman, L., Amin, S., **Hossain, M. I.**, Parvin, K., & Naved, R. T. 'Merging the silos of sexual health and violence against women prevention programs in Bangladesh: A turn toward right direction?'
