

The impacts of COVID-19 on migration and migrants from a gender perspective

Research publication launch – 1 June 2022

While gender considerations underpin the migration cycle, so have the impacts of the COVID-19 pandemic. With the support of Immigration, Refugees and Citizenship Canada, IOM is pleased to release a new research publication on “The impacts of COVID-19 on migration and migrants from a gender perspective” to be launched at a virtual event on **Wednesday 1 June 2022 from 10:00 to 11:30 EDT / 16:00 to 17:30 CEST**.
