

## 2021 Election Committee report

The **2021 IUSSP Council and Committee on Nominations elections** took place from 15 September to 27 October 2021. The electoral list included all (full) members who were in good standing as of 15 August 2021. The elections were conducted via the Internet and all votes cast were automatically tabulated by Association Voting, a third-party internet company which provides online voting services to many associations.

As members of the Election Committee, we followed the electoral process from the set-up of the ballot to the final tabulation of the votes and were in charge of making decisions on matters concerning the elections. The results of the online ballot and the procedures have been reviewed and approved by all members of the Election Committee.
