

The 5th Asian Population Association Virtual Conference

3 - 5 August 2021

Dear all,

We regret to inform you that our virtual conference will now be held on 3-5 August 2021 instead of 20-22 July 2021. This is to accommodate participants who might be observing Eid al-Adha.

The conference will bring together scholars, researchers, policymakers, and government officials to discuss Asian population issues.

The virtual conference will include live sessions, pre-recorded video sessions, and poster sessions. We will have an inclusive programme with close to 200 live presentations and talks and a large number of pre-recorded talks and posters. The video sessions and posters will be hosted online and will be available for at least six months after the conference.

Certificates will be issued for moderators, presenters, and attendees (non-presenters) of the conference.

The technical details on the live sessions, format of the video presentations, and posters will be posted on the APA website and communicated to all presenters.
