

## 2022 IUSSP Laureate Ceremony – Peter McDonald

### *Chat file*

- Nico van Nimwegen: Congratulations Peter! Well deserved laureate. Looking forward to ongoing collaboration. Now at the European Population Conference 2022 in the Netherlands, the first hybrid conference of EAPS.
- Leiwen Jiang: This is Leiwen Jiang, also from Groningen at EPC 2022. Congratulations Peter! Thank you for your great support and guidance provided for ADRI and population research communities.
- Suzana Cavenaghi: Congratulations Peter! Your research is a great value to Brazilian and Latin American demographers! Thanks for your generosity.
- Shah Atiq: This is Shah Atiq from Bangladesh. Congratulations Peter!!! I have met you in ADRI and PAA. Your contribution to demography is extraordinary and outstanding. Best wishes,
- Aris Ananta: Congratulation Pak Peter. I keep calling you with "Pak" (in Indonesian) because you know very well about Indonesia. I am proud of you as a demographer, a friend, and an Indonesian. Once again, congratulation, Selamat.
- Zitha Mokomane: Congratulations Peter on a well-deserved award!
- Graziella: Congratulations Peter from Rome. 10 years after Stockholms EAPS Conference
- Prof. Siddhisena: Congratulations Peter! Well deserved laureate. As your student , I really happy to thank you for your esteemed contribution to the field of Demography. I initially learned demographic techniques which I never forgot in my life. More than that your cooperation and friendship devoted while we I was a student is highly appreciable. wish you a long life- Prod. Siddhisena-from Dept of Demography, university of Colombo, Sri Lanka.
- Mohan Singh: Congratulations Peter. Very well deserved award. Honoured to have known you and thank you for everything you have done for me as a student and afterwards as a colleague.
- Henry Nsobya: As a younger demographer from Uganda, I have come across the name through my literature readings. I am extremely excited to hear the testimonies and remarks about the great personality and icon of demography. I feel very privileged and motivated. Congratulations, Peter.
- Surrender: Congratulations Peter. Well deserved IUSSP laureate ! Always feel proud you were my PhD advisory committee chair at the University of Melbourne. I have always been privileged not only by your crucial academic and technical inputs but also your guidance and motivation in my personal and professional life. Surrender Pandey, Melbourne University.

- Yu Zhu: Congratulations Peter on the well deserved award! Your scholarship, advice and support have benefitted so many scholars of Demography.
- Terence Hull: We should not forget that Peter is also passionate about history and is actively developing his study of his ancestry.
- Suharti Sutar: Congratulations Pak Peter. Thank you very much for your continuous support. Without the Singarimbun Scholarship I would not be able to bring my son to Canberra and he would never be an artificial intelligent engineer as he is now 🙏
- George Alter: Congratulations Peter! This is a well-deserved tribute to someone who has made so many contributions and remains so personable and generous.
- Edith Gray: congratulations Peter. so very well deserved. you've had such an incredible impact on so many demographers, including me. thank you for everything. Edith
- Evi Nurvidya Arifin: Congratulation Pak Peter! Very well deserved award. Evi N Arifin from CARE-UBD, Brunei Darussalam
- aliza hunt: Congratulations Pak Peter. What an amazing career! Not only an amazing demographer, but a genuinely generous man who always, in conversations, made you feel as if you had something special to offer the world. A rare quality!
- Elyce Rotella: Congratulations Peter on your well-deserved award.
- Guangyu Zhang: Congratulations, Peter! I concurred with the comments from Rebecca Kippen, thank you for your guidance and support, like so many students trained at the ANU Demography!
- Mary Ellen Zuppan, IUSSP Secretariat: Thanks Peter - and Congratulations. I very much enjoyed working for you when you served as IUSSP President
- Irena Kotowska: Congratulations Peter from the demographers in Poland, the Committee on Demographic Studies at the Polish Academy of Sciences
- Shireen Jejeebhoy Jejeebhoy: Peter you are the reason I said yes to run for IUSSP president... Your arguments were too convincing to discount, and coming from someone I so admire, and have learned so much from, how could i say no. Its such a privilege for me to give you this award, you are a model for so many. Warmest wishes
- Jane Fry: Congratulations Peter. So very well deserved.
- Anastasia Gage: My heartiest congratulations, Peter, on this well-deserved honor. I enjoyed serving under your leadership of the IUSSP. Thank you for your support when I was Vice-President and President of the IUSSP and for your faith in me. These were very much appreciated at the time and still are. You are a kind mentor. Best wishes.
- Fei Guo: Congratulations Peter! Very well-deserved! Thank you so much for your contribution to the discipline of demography and thank you for your support and guidance to me and many other colleagues.
- Sunethra Perera: Many Congratulations Peter! Very well deserved IUSSP award! Thank you for your great contributions to demographic research.

- Mohammad Mainul Islam: Heartiest Congratulations to Peter McDonald! You are a great inspiration to many scholars, including young population scientists! I remember your talk at the Institute of Population Research at Peking University, Beijing, China. I wish you all the best.
- Tilly U'Ren: congratulations granddad 😊
- Jolene: Congratulations Professor! 🙌
- Mayling Oey-Gardiner: Congratulations Peter for a well deserved recognition. After so many years, may I again thank you for dragging me along to do field work through Lembaga Demografi, and later putting up with me while working on my dissertation. SELAMAT
- Henry Nsobya: Thank you
