

**Mini-Conference on Climate Change, Human Migration and Health:
Integrating social and environmental data to accelerate innovative science**
University of Colorado Boulder, May 20-21, 2019

List of Participants

- Susana Adamo, Research Scientist, The Earth Institute, Columbia University
- Caspar Ammann, Research Scientist, National Center for Atmospheric Research
- Karen Bailey, Postdoctoral Researcher, University of Colorado Boulder
- Jennifer Balch, Assistant Professor of Geography, University of Colorado Boulder
- Deborah Balk, Professor, Associate Director, CUNY Institute for Demographic Research
- Kelsea Best, PhD Student, Vanderbilt University
- Marion Borderon, Assistant Professor, University of Vienna
- Jared Carbone, Associate Professor, School of Mines
- Chelsea Cervantes de Blois, PhD Student, University of Minnesota, Twin Cities
- Sara A. de Paula, Master's Student, Federal University of ABC
- MacKenzie Dove, NERC Knowledge Exchange Fellow, National Center for Atmospheric Research
- Akudo Ejelonu, PhD Candidate, University of Pennsylvania
- Daniel Ervin, Project Specialist, The East-West Center
- Leonardo Freire de Mello, Professor, Federal University of ABC
- Beth Fussell, Associate Professor, Brown University
- Myron Gutmann, Director, Professor, Institute of Behavioral Science, University of Colorado
- Sabine Henry, Professor, University of Namur, Belgium
- Roman Hoffmann, Research Scientist, Vienne Institute of Demography
- Douglas Hopping, PhD Candidate, UNC Chapel Hill
- Lori Hunter, CUPC Director, University of Colorado Boulder
- Issac Kamber, Research Assistant, University of Chicago
- Kristopher Karnauskas, CIRES Fellow & Associate Professor, University of Colorado Boulder
- Tracy Kirkland, Lecturer & Researcher, Adjunct Instructor, University of Colorado Boulder
- Stefan Leyk, Associate Professor, Geography, CU Boulder
- Papiya Mazumdar, Research Fellow, University of York
- Katie McConnell, Doctoral Student, Yale School of Forestry & Environmental Studies
- Joe McGlinchy, Analytics Hub Remote Sensing Scientist, CU Earth Lab
- Samuel Mwangi, PhD Researcher, Tubingen University
- Imtiaz Rangwala, Research Scientist, CIRES, CU Boulder
- Colleen Reid, Assistant Professor, Geography, CU Boulder
- Fernando Riosmena, Associate Professor, Geography, CU Boulder
- Guillaume Rohat, PhD Candidate, University of Geneva
- Brittany Shield, PhD Student, NSF Trainee, Utah State University
- Kyler Speich, Research Assistant, Portland State University
- Anne Starling, Assistant Professor, Colorado School of Public Health
- Catherine Talbot, Grad Student, CU Boulder
- Matt Varkony, PhD Student, University of Miami (FL)
- Olga Wilhemi, Project Scientist III, National Center for Atmospheric Research
