# Family Planning Measurement Reimagined

## About the event

Sharing recent evidence and frameworks that can guide the development of new family planning measures that align with the core principles of ICPD. It is a networking opportunity for experts researching, leading advocacy and implementing family planning programmes across the world, especially in LMICs.

## Will be held on:

Thursday, 23rd May 2024

2:00 to 3:30 pm CAT

BICC, Lilongwe, Malawi
