HIV/AIDS’ at the Family AIDS Caring Trust Centre in Mutare,
Zimbabwe. Certificate issued by: Family AIDS Caring Trust,
Zimbabwe

July 5 - 16, 1999 Course on ‘Planning for HIV/AIDS in Sub-Saharan Africa’ at the
University of Natal, Durban, Republic of South Africa. Certificate
issued by: University of Natal

WORK EXPERIENCE

May, 2002 – Present

(with a break 05/2004 – 08/2007)

Professor

Department of Sociology

University of Nairobi

Duties and Responsibilities

- Proving academic leadership through research and demonstrated scholarship
 - Providing leadership in curriculum development
 - Advising and mentoring of students
 - Mentoring of undergraduate and graduate in supervised research courses
 - Advancing the image of the University nationally and internationally through excellent research and good teaching, and participation in major conferences.
 - Promoting sustained scholarship in the form of publications in refereed journals; presentation of papers at national and international professional meetings
 - Preparation and submission of proposals to grant making agencies
 - Contributing to university governance and professional organizations within the university and other
-

- scholarly institutions
 - Sharing fully and intimately in the intellectual and scholarly life of the university
-

June /2004 – July/2007

Program Specialist

(HIV & AIDS and Education)

International Institute for Educational Planning/UNESCO, Paris

Tasks and Responsibilities:

Leadership

- Serving as primary expert and advisor in the field of HIV/AIDS & Education in IIEP.
- Developing work plans, fundraising proposals and budgets for IIEP's Unit on HIV and AIDS and Education.
- Ensuring the prudent deployment, utilization and management of IIEP's HIV/AIDS and Education Unit's human and financial resources.
- Managing and motivating staff in the Unit through effective leadership, mentoring, communication, development, facilitation and evaluation.
- Providing effective professional leadership within the HIV/AIDS and Education Unit as well as with external constituencies, including consultants, Ministries of Education in UNESCO member States and other stakeholders.
- Providing professional leadership and representation in speaking engagements, HIV and AIDS conferences and participating in other key internal and external meetings.

Policy Development

- Promoting the development of policies and programs supporting the inclusion and mainstreaming of HIV and AIDS into national education sector policies and strategies.
- Interacted substantively with other UN agencies and development partners in ensuring mutual synergies in policy development through exchanges of ideas, learning from mutual experiences, collective research and joint initiatives
- Provided substantive inputs in in-house, international and regional conferences and other forums on issues of HIV/AIDS and Education

Research

- Developing IIEP in-house and collaborative research proposals as well as participating in the study implementation.
- Identifying consultants, preparing terms of reference (TORs), negotiating terms of engagement, supervising contract implementation and auditing outputs.

- Providing leadership on analysis of data, applied policy research and program audits so as to distil good practices and lessons learned on effective responses to HIV/AIDS with education systems in UNESCO Member States.
- Documenting success stories, case studies and best practices on HIV and AIDS interventions in the Education Sector and making them available for use or adoption by UNESCO Member States.
- Playing a leading role in training and capacity development, and the production of appropriate training materials such as modules to strengthen the capacity of UNESCO regional offices and country focal points to undertake program support and to also provide technical advisory services to national partners in the areas of HIV/AIDS & Education.
- Provide leadership in the production of high quality discussion papers, policy briefs, newsletter articles, working papers, research papers and book publications on emerging and current issues relating to HIV/AIDS and Education.

Program Support

- Providing intellectual leadership and creative thinking in the design and development of HIV/AIDS and Education programs and initiatives that have high impact in UNESCO Member States.
- Providing policy advice at the country level by ensuring the highest quality policy analysis and substantive support through participatory and broad-based multi-stakeholder consultations.
- Coordinating the design, development and implementation of training and capacity development programs on the building effective responses to HIV/AIDS in education systems in Ministries of Education, National AIDS Councils, associations of teachers living with HIV and civil society organizations in UNESCO Member States.
- Assisting Ministries of Education in UNESCO member states to develop policy strategies for scaling up effective HIV and AIDS programs.

Advocacy and Partnership Building

- Fostering strategic partnerships with partner organizations such as ADEA, the World Bank and other UN organizations for advocacy purposes

- Develop partnerships at the highest level with NGOs and civil society institutions working in area of HIV/AIDS and Education to mainstream and build effective institutional responses to HIV and AIDS.
- Providing professional leadership and representation in speaking engagement in in-house, regional and international HIV and AIDS workshops, seminars and conferences.
- Building partnerships and sustaining dialogue with bilateral donors, UN Agencies, and other development partners working on HIV and AIDS and Education

Some notable achievements:

- Launched and supervised the implementation of Action research project on analyzing the response to HIV/AIDS in Teacher training institutions in Ethiopia (forthcoming)
- Wrote synthesis report on “Needs Assessment for Educational planning and management in the context of HIV and AIDS in Sub-Saharan Africa: A case of Ethiopia, Ghana, Kenya, Uganda, Tanzania, Malawi and Rwanda “(forthcoming).
- In liaison with other authors, participated in the development of self-instructional materials on “Educational planning and management in a world with AIDS” (http://www.unesco.org/iiep/eng/focus/hiv/hiv_4.htm)
- Developed a teaching module on “HIV and AIDS in tertiary and Higher Education institutions”
- Implemented research and wrote report on “Analyzing the response to HIV/AIDS in Teacher Training Institutions in Kenya”
- Edited country reports on HIV and AIDS training needs for Educational planners and managers in Ethiopia, Ghana, Kenya and Rwanda
- Wrote and published articles in *IIEP’S Newsletter*
- Recruited national consultants, negotiated fee contracts, prepared terms of reference and contracts.
- Organized regional dissemination workshop to discuss the training needs assessment report for Educational planner and managers in Ethiopia, Ghana, Kenya, Uganda, Tanzania, Malawi and Rwanda
- Assisted IIEP’s Clearinghouse in identifying appropriate materials on HIV/AIDS and Education
- Taught course two topics: “Planning for HIV and AIDS in the Education Sector” and “Increasing participation of the poor : suppressing fees in primary education” in the EPC204 : “Educational Planning

- Strategies and Policy Options” in the regular annual Advanced Training Program for senior education planners and managers at IIEP and supervised 2 MA thesis
- Participated in the joint Consultative Meetings organized by the HIV and AIDS Coordination Unit in UNESCO
- Participated in the “60 Minutes to Convince the World Session” at UNESCO with IIEP’s Director Mr. Mark Bray and Deputy Director Ms. Francoise Caillods
- Assisted in the production of a 25 min 23 sec. DVD film “*The Teaching Profession United against HIV and AIDS*”
- Organized two Regional Workshops on “Analyzing the Responses of Teacher Training Institutions in Kenya, Uganda, Ethiopia and Zambia” and “Training of Trainers” from Anglophone Africa in Nairobi July 11 – 20, 2007

Jan/2004 – May/2004

Chairman /Head of Department
Department of Sociology
University of Nairobi

Duties and Responsibilities
