## PRESENTATION

Currently, I am pursuing a Master's degree in Geography at the Federal University of Espírito Santo. My research is focused on studying the demographic and spatial dynamics of populations in large urban agglomerations, exploring their impacts both economically and in terms of space production.

## EDUCATION

- Master's Student, Geography — *Federal University of Espírito Santo (UFES)*  
2024 – 2025  
  
Dissertation Title: Demographic dynamics and sociospatial transformations: The case of Cariacica  
  
Advisor: Aurélia Hermínia Castiglioni
- MBA, Financial and Budgetary Management in Public Organizations — *Vila Velha University (UVV)*  
2023 – 2024
- Bachelor's Student, Economics — *Federal Institute of Espírito Santo (IFES)*  
2024 – 2028
- Bachelor, Geography— *Federal University of Espírito Santo (UFES)*  
2020 – 2023
- Bachelor, Accounting— *Vila Velha University (UVV)*  
2022 – 2023
- Technology, Financial Management — *Vila Velha University (UVV)*  
2020 – 2021

## PROFESSIONAL EXPERIENCE

- Master's Scholar — *Coordination for the Improvement of Higher Education Personnel (CAPES)*  
2024 – 2025

- Undergraduate Research Scholar — *National Council for Scientific and Technological Development (CNPQ)*  
2022 – 2023
- Extension Scholar — *Federal University of Espírito Santo (UFES)*  
2021 - 2022

## TEACHING EXPERIENCE

- Teaching Assistant at Federal University of Espírito Santo, in the Bachelor's degree program in Geography  
  
Course: Population Geography  
09/2024 - 03/2025

## VISITING PERIODS

- University of Buenos Aires - Instituto de Investigaciones Gino Germani  
Supervisor: Mariana Marcos  
22/09/2024 – 03/10/2024
- Autonomous University of Barcelona - Demographic Studies Center  
Supervisor: Juan Antonio Módenes Cabrerizo  
01/04/2024 – 29/06/2024

## RESEARCH INTERESTS

- Dynamics of demography, urban, regional, and economic factors
- Spatial mobility of population in large urban areas
- Migration and economic dynamics
- Residential mobility

## RESEARCH PROJECTS

- Cariacica 150 Years: (Re)evaluating and (Re)planning the Future of the City  
2023- (undergoing)
- Residential mobility, family, and inequalities in intraurban space  
2023- (undergoing)
- Demographic family dynamics and migration patterns in Brazil: Transformations since the 1990s  
2021-2024 (completed)

## PARTICIPATION IN EVENTS, CONGRESSES, EXHIBITIONS, AND FAIRS

- 23rd National Meeting of Population Studies, Brazil, 2024. (Meeting). **Oral presentation.**
- 35th International Geographical Congress, Ireland, 2024. (Congress). **Oral presentation.**
- 3rd S[PLURAU], Brazil, 2024. (Seminar).
- Integrated Geography Week - Federal University of Espírito Santo, Brazil, 2024. (Seminar). **Oral presentation.**
- VIII Brazilian Geographers Congress, Brazil, 2024. (Congress). **Oral presentation.**
- XI Meeting of the Latin American Population Association, Colombia, 2024. (Meeting). **Oral presentation.**
- XXII National Meeting of the Brazilian Association for Regional and Urban Studies, Brazil, 2024. (Meeting).
- National Meeting: Migration, Environment, and Work, Brazil, 2023. (Meeting). **Oral presentation.**
- XXXIII Scientific Initiation Conference of UFES, Brazil, 2023. (Exhibition). **Poster presentation.**
- Integrated Geography Week - Federal University of Espírito Santo, Brazil, 2022. (Seminar).

## PROFESSIONAL MEMBERSHIPS

- IUSSP (International Union for the Scientific Study in Population)
- Latin American Population Association (ALAP)
- Brazilian Association of Population Studies (ABEP)
- Brazilian Association for Regional and Urban Studies (ABER)
- Brazilian Geographers Association (AGB)

## LANGUAGES

Mother tongue	Portuguese
Fluent	English
Intermediate	Spanish
Passive	French

## GRANTS

- R\$5,263.25 – Technical-scientific visit to the University of Buenos Aires, 2025, funded by Espírito Santo Research and Innovation Support Foundation.
- R\$34,260.00 – International academic stay of three months in the Demographic Studies Center, 2025, funded by Espírito Santo Research and Innovation Support Foundation.
- R\$11,400.00 – Participation in the 35th International Geographical Congress, Ireland, 2024, funded by Espírito Santo Research and Innovation Support Foundation.
- R\$54,400.00 – Scholarship for MSc Geography, funded by Brazilian Federal Agency for Support and Evaluation of Graduate Education.
