EDUCATION

1999	<i>Ph.D. in Demography</i> . University of Louvain. Louvain-la-Neuve, Belgium. "Household Formation and Migration. A Life Course Study of Three Spanish Birth Cohorts".
1991	<i>M.Sc. Demography</i> , University of Louvain.
1989	<i>Diplôme de Démographie</i> (D.E.S). University of Louvain.
1987	<i>Licenciatura en Geografia</i> (B.A. in Geography). Universitat Autònoma de Barcelona, Bellaterra, Spain.

MAIN INTERESTS

Institutional and policy influences on fertility. Social inequalities and family. Family dynamics and international migration. Determinants of migration. Education and migration. Life course analysis.

PRESENT APPOINTMENTS AND CAREER HISTORY

From 2002	<i>ICREA Research Professor</i> . Universitat Pompeu Fabra (UPF). Department of Political and Social Sciences.
From 2015	External reviewer: European Research Council Executive Agency, European Commission.
From 2012	Member of the editorial board of the journal <i>Papers. Revista de Sociologia</i> .
From 2015	Member of the Doctoral and Masters' program committee in the Department of Political and Social Sciences, UPF
From 2015	Research Fellow. Life Course Centre, University of Queensland, Australia.
2000 – 2002:	<i>Research Scientist</i> . Max Planck Institute for Demographic Research (Rostock, Germany). • Research Scientist in the Independent Research Group of the Demography of Early Adulthood. • Lecturer at the International Max Planck Research School for Demography. • Member of working group developing questionnaires for a second round of the

	Family and Fertility Survey within the Generations and Gender Program, coordinated by the Economic Commission for Europe of the United Nations.
1996 – 1999:	<i>‘Assistant Scientifique’ and doctoral student.</i> University of Louvain .
1996 – 1997:	<i>Researcher.</i> Minuartia Estudis Ambientals.
1994 – 1996	<i>Research Associate.</i> The University of Cambridge. Cambridge Group for the History of Population and Social Structure.
1992 – 1994	Scholarship from the Government of Catalonia at the University of Louvain.
1989 – 1990	Training internship at Eurostat, Statistical Office of the European Communities, "Social digest unit" (population, migration, work, unemployment), Luxembourg.
1988 – 1992	Scholarship from the Spanish Ministry of Education (FPI) at the University of Louvain.

PARTICIPATION IN FOUNDED RESEARCH PROJECTS

2017-2020	<i>Socio-Demographic Consequences of the Great Recession: Altered Class and Gender Relations?</i> (RECECON), Spanish Ministry of Science and Innovation, CSO2016-80484-R. (€ 76,000). PI: Pau Baizan and Clara Cortina.
2016-2018	<i>Low Fertility, Labor Market, and Family: Factors, Outcomes, and Policy Implications.</i> East-West Center (Honolulu, USA) and Korea Institute for Health and Social Affairs (Korean National Research Council for Economics, Humanities and Social Sciences), PI: Pau Baizan and Sang-Hyop Lee.
2013-2016	<i>Migration systems in comparative perspective: Mexico-USA and Subsaharan Africa-Europe</i> (MIGRASYS). Spanish Ministry of Science and Innovation, CSO2012-37920. (€101,205). Principal investigator.
2014-2015	<i>Policy Responses to Low Fertility and Population Aging</i> , East-West Center (Honolulu, USA). PI: Ronald Rindfuss and Minja Choe.
2011-2016	<i>Stratified Family Dynamics: polarizing trends in couple behaviour and parenting ("Family polarization").</i> European Research Council Advanced Grant (ERC). PI: Esping-Andersen, Gosta.
2010-2012	<i>“Migrations Between Senegal and Spain: An Analysis of Migration, Family and Labor Market Trajectories of Senegalese Immigrants in Spain”</i> (MESE). Spanish Ministry of Science and Technology, CSO2009-12816. (€134.915). Principal investigator.
2008-2012	<i>“Migrations between Africa and Europe”</i> (MAFE). European Commission, Seventh Framework Programme for Research and Technological Development. UPF team leader and responsible (with A. González) of the working package on “Determinants of African migration”. (€ 1.498.854 of which 107.520 for our team at UPF).
2007-2009	<i>“Migrations between Africa and Europe”</i> (MAFE-Senegal). Institut National d’Études Démographiques. (€111.765 for our team at UPF). Scientific manager UPF team.

2005-2010	<i>“Economic Change, Quality of Life and Social Cohesion (EQUALSOC)”</i> . European Union VI Framework Programme. Research groups on “Family and Social Networks” and “Change in public policies and gender differentiation in time use”.
2007-2009	<i>“Redistributive effects of the new role of women”</i> . Spanish Ministry of Science and Technology.
2006-2007	<i>“Distributive equity in the access to parental leave in Spain”</i> . Spanish Ministry of Labour and Social Affairs.
2005-07	<i>“Household Income and Employment Strategies”</i> . Fundación BBVA.
2003-06	<i>“Risks and opportunities in the life course in post-industrial societies”</i> . Spanish Ministry of Science and Technology.
2003-05	<i>“Why fertility patterns diverge across Europe? The new risk structure and family formation”</i> . Fundación BBVA.
2002-03	<i>“Households, inequalities and employment in post-industrial societies: Spain in the international context”</i> . Spanish Ministry of Science and Technology.
2000-02	<i>“Demography of Early Adulthood”</i> . Max-Planck Gesellschaft.
1994-96	<i>“Mapping European Family and Household Patterns”</i> . European Commission (Training and Mobility Programme).
1992-94	<i>“Household and family structures in Catalonia: contemporary changes and determinants”</i> . Fellowship: Catalan Department of Universities (DURSI).
1988-92	<i>“Recent changes in the family life cycle in Spain”</i> . Fellowship (FPI): Spanish Ministry of Education and Science.

TEACHING

2014-present	<i>“Migration and Society”</i> . Master in Sociology and Demography, European Master in Government, and Master of Research in Political Sciences, UPF.
2011-present	<i>“Demographic Changes and Social Dynamics”</i> . Master in Sociology and Demography, UPF.
2014	<i>“Demography: Economic and Sociological Perspectives”</i> (with L. González). Master in Economics of Public Policy. Barcelona Graduate School of Economics, UPF-UAB.
2013	<i>“Research and Data Analysis Seminar”</i> (with C. Cortina et al.), Master in Sociology and Demography, UPF.
2012-2014	<i>“Social Demography”</i> , Department of Political and Social Sciences, UPF.
2007-2011	<i>“International Migration”</i> (with M. Creighton / A. González-Ferrer). Master in Political and Social Sciences, UPF.

2002-2012	" <i>Demography and Population Studies</i> ". Department of Political and Social Sciences, UPF.
2001-2002	" <i>Introduction to Hazard Regression</i> ", (with F. Billari and A. Aassve). Graduate course, International Max Planck Research School for Demography.
1998-1999	" <i>Introduction to Research: case studies</i> ", " <i>Principles and methods of demographic analysis: practical exercises</i> ", " <i>Indirect techniques of analysis for demographic data: practical exercises</i> ", " <i>Statistical analysis of dependencies: practical exercises</i> ". Master in Demography, University of Louvain.
Short courses:	2014: "<i>Migrants' labor market integration</i>". LIVES Doctoral Programme. Université de Lausanne and Université de Genève. 2010: "<i>Migration and Development in Sub-Saharan Africa</i>", Institut Europeu de la Mediterrània, Barcelona. 2009: "<i>Discrete-time event history analysis</i>", Université de Dakar. 2008: "<i>Gender inequalities and family formation</i>", Universidad Internacional Menéndez Pelayo and CSIC (Madrid), Master in Gender Inequalities. 2007: "<i>Demographic Trends in Southern Europe</i>", British Council (Berlin). 2006, 2007, 2009: "<i>International Migration</i>", University of California-Davis. Programme on Housing and Community Development in Barcelona. 2004: "<i>Transitions to adulthood</i>", Universidad de Salamanca. 1999: "<i>Environment and Population: local studies</i>". Graduate course, Centre d'Estudis Demogràfics. Universitat Autònoma de Barcelona.

OTHER ACADEMIC ACTIVITIES

2011-2015	Member of the review board of the journal <i>Demographic Research</i> .
2014-15 and 2011	Project referee and member of the review committee: Spanish Ministry of Science (Plan Nacional I+D, Social Sciences)
2010-2013	Project referee: European Research Council (European Commission, Seventh Framework Program).
2010 – 2013	Member of the admission committee to the PhD in Political and Social Science (UPF).
2008-2010	Editorial board member, <i>Revista Española de Investigaciones Sociológicas</i> .
2007-2009	Chair of the " <i>Scientific Panel on Policies in the Context of Low Fertility</i> ", International Union for the Scientific Study of Population, www.iussp.org .
2005 and 2006	Correspondent of the European Observatory on the Social Situation in the European

Union (www.europa.eu.int).

2005-2012

Academic coordinator. International Exchange of Students Programme (“Erasmus”, “Seneca”, etc.), Labor Sciences studies, UPF.

Conference &
workshop
organization

Abstract reviewer for the IUSSP International Population Conference 2017. Cape Town, South Africa.

International Conference on Population Geographies. Brisbane, 30 June-3 July 2015. Chair of the session on “Determinants of fertility decline”.

International Conference on Population Geographies. Groningen, 25-28 June 2013. Chair of the session on “Societal Implications of International Migration”.

“Comparative and Multi-sited Approaches to International Migration” conference. MAFE and Institut National d’Etudes Démographiques (Ined). Paris, 12-14 December 2012. Member of the scientific committee.

“Migrations between Africa and Europe” workshop. MAFE and UPF. Barcelona 23-25 November 2011. Member of the scientific committee and workshop local organizer.

European Population Conference 2010. European Association for Population Studies (EAPS). Vienna, September. Chair of the session on “Transnational relations between origin and destination”.

“Chaire Quetelet 2009: Population Policies in Europe and in North America”, Université de Louvain, Louvain-la-Neuve, November 2009. Member of the scientific committee, chair and discussant of the session on “Migration Policies”.

“World Population Conference 2009”, IUSSP, Marrakech, September. Session organizer and chair: “Policies in low fertility countries”.

“International Conference on Low Fertility and Reproductive Health in East and Southeast Asia”. Organized by the Scientific Panel on Policies in the Context of Low Fertility (IUSSP), Nihon University Population Research Institute, and World Health Organization, Tokyo, November 2008. Member of the Scientific Committee and discussant (session on “ultra-low fertility”).

“European Population Conference 2008”, European Association for Population Studies (EAPS). Barcelona, July. Convenor of the Theme “Regional and urban issues” and session chair: “Internal migration”.

“Fertility and Public Policies in Low Fertility Countries”, organized by the Scientific Panel on Policies in the Context of Low Fertility (IUSSP) and UPF, Barcelona, July 2008, Chair of the Scientific Committee, local organizer, session chair and discussant. This Seminar received funding from the Spanish Ministry of Science (SEJ2007-30994-E) and the Robert Bosch Foundation.

“International Conference: Can policies enhance fertility in Europe?”, Vienna Institute of Demography, December 2007. Session chair.

IX Spanish Sociology Conference. Barcelona, September 2007. Convenor and discussant,

session on fertility.

International Conference Job Instability and Changes in Family Trends, Fondazione G. Brodoloni, Rome, November 2006. Discussant.

“European Population Conference, 2003”, EAPS. Warsaw, August 2003. Discussant, session on “Family pathways and individual life course”.

Survey
organization

Data collection (Spanish surveys of 2008 and 2011) and development of the questionnaire, “Migrations between Africa and Europe” (MAFE).

Development of questionnaires for a second round of the Family and Fertility Survey within the Generations and Gender Program, coordinated by the Economic Commission for Europe of the United Nations (2000-2001).

Stay of research

Institut National d’Études Démographiques, Paris, March-April, 2010.

Journal referee

Advances in Life Course Research, Demographic Research, European Journal of Population, European Societies, European Sociological Review, Genus, International Journal of Comparative Sociology, Journal of Housing and the Built Environment, Papers-Revista de Sociologia, Population (Ined), Population Research and Policy Review, Quetelet Journal, Revista Española de Investigaciones Sociológicas, Revista Internacional de Sociología, Vienna Yearbook of Population Research.

Book referee

IUSSP (International Studies in Population, Springer). Max-Planck Institute for Demographic Research. Fundación BBVA.

Project and
personnel
evaluation

European Research Council Executive Agency. Austrian Science Fund (FWF). Flanders Research Foundation (FWO, Belgium), Spanish Ministry of Science (Plan Nacional I+D, Social Science), Dirección General de Universidades e Investigación de la Comunidad de Madrid. Agència de Gestió d’Ajuts Universitaris i de Recerca (Catalan Ministry of Science). Fundación BBVA. Universitat Pompeu Fabra (Department of Economics and Business; Ethical Review of Projects Committee; Department of Political and Social Sciences).

Curricula design

2008: Participated in the design of the new MSc programme “Research in Sociology and Demography”, and the new degrees “Political and Administration Sciences”, and “Criminology”, at UPF.

PhD thesis
supervisor

2005-2009, Sergi Vidal, “*Residential trajectories and social ties in the early adulthood*”, UPF. Postdoctoral position: University of Bremen (Germany).

or co-supervisor

2006-2010, Anna Garriga, “*Consequences of parental divorce and family structure on children’s outcomes in European societies: Individual, cohort and country explanations*”. UPF. Postdoctoral position: University of York (UK).

2009-2012, Ognjen Obucina, “*Dynamics of Well-Being Among Immigrants*”. UPF. Postdoctoral position: University of Stockholm.

2009-2014, Carlos Delclòs, “*Cultural and Structural Explanations of Fertility: The Spanish Case at the Beginning of the 21st Century*”, UPF. Postdoctoral position: Universitat Autònoma de Barcelona.

2010-2014, Mao-Mei Liu, “*The Social Roots of Sub-Saharan African migration to*

	<i>Europe: Networks, Resources and Context</i> , UPF. Postdoctoral position: Brown University (Providence, RI).
	2011-2016, Antonina Levatino, <i>“Brain Training - Brain Draining. Skilled Migration, Student Mobility and Transnational Higher Education”</i> , UPF. Postdoctoral position: INED, Paris.
	2014-, Natalia Malancu, <i>“Labor Market Performance of Immigrants in Countries with a Skill-Selective Immigration Mechanism”</i> , UPF.
	2014-, Daniel Ciganda, “Employment and fertility”, UPF.
	2013-, Elisabeth Kraus, “Family-Building Strategies of Immigrants”, UPF.
	2014-, Nie Wanli, “Family and household strategies in Chinese migration”, UPF.
Ms thesis supervisor	2-3 every year.
Jury member/external reviewer	PhD Thesis, Francesca Luppi, “Are you ready now for another child? Life satisfaction, work-family trajectories and the progression to the second child”, 2015, UPF.
	PhD Thesis, Tatiana Eremenko, "Interaction entre structures familiales et flux migratoires". 2015, Université de Bordeaux.
	PhD Thesis, Renáta Hosnedlová, “Bridging the intention–realization gap in the process of returning: The role of networks in the experience of Ukrainians in Madrid”. 2014, Universidad Complutense de Madrid.
	PhD Thesis, Diederik Boertien, “Socio-economic resources, relationship processes, and separation”. 2013, UPF.
	PhD Thesis, Sunnee Billingsley, “Casualties of turbulent economic transition: Premature mortality and foregone fertility in the post-communist countries”. 2009, UPF.
	PhD Thesis, Berkay Özcan, “The effects of marital transitions and spousal characteristics on economic outcomes”, 2008, UPF.
	PhD Thesis, Stefanie Brodmann, “Labour market assimilation of immigrants in Germany and Denmark”, 2008, UPF.
	PhD Thesis, Marta Domínguez, “Why marry? A comparative study of union formation in Spain, Germany and France”, 2007, Universidad Complutense de Madrid.
	Premi Juventut 2005 (research on youth prize), Generalitat de Catalunya.
Member	European Association for Population Studies (EAPS), Population Association of America (PAA), International Union for the Scientific Study of Population (IUSSP), International Migration Integration and Social Cohesion in Europe (IMISCOE).
Research outreach (sample)	Short course to be given at the Universitat Catalana d’Estiu (Prada), "Senegalese in Catalonia (1985-2016)". August 2016.
	Participation in the program EYE Catalunya , 7 th March 2016.
	Participation in the program “ Espana vuelta y vuelta ” on the demographic situation in

Spain. Radio Nacional de España, 9 December 2015.

“Cuidado parental en la infancia y desigualdad social: un estudio sobre la Encuesta de Empleo del Tiempo en España”, 2010, with González M.J., and Domínguez M., [Working Paper](#) 158/2010: Laboratorio de Alternativas, Madrid: Fundación Alternativas.

Talk given to secondary school pupils about demography of youth. Dia de la Ciència a les Escoles. Institut Joan Oró, Lleida. 9 November 2004.

INVITED TALKS AND CONFERENCE PAPERS (selection)

Baizán P., “Socio-economic status of couples, job characteristics, and fertility in Spain”, invited talk to be given at the conference “*Low Fertility, Labor Market, and Family: Factors, Outcomes, and Policy Implications*”, organized by the East-West Center and the Korea Institute for Health and Social Affairs, Honolulu, December 8-9, 2016.

Baizán P. “The Impact of Migration to Europe on Senegalese Children’s Educational Investments”. IMISCOE conference. Prague, 30 June-2 July 2016.

Baizán P., “Context and policy options in countries with very low fertility”, invited talk at the *United Nations Expert Group Meeting on [Policy Responses to Low Fertility](#)*, United Nations Population Division, New York, 2-3 November 2015.

Baizán P., “International migration, transnational practices, and family formation: results from the MAFE project”, invited talk at the *Workshop on Life Course Demography: Developments in Partnership and Family Dynamics*, 6 July 2015, Life Course Centre, The University of Queensland, Brisbane, Australia.

Baizán P., “How international migration impacts fertility? The role of migrant networks, spouse’s migration, and own migration”, *International Conference on Population Geographies 2015 The Spatial Dimensions of Population*, 30 June to 3 July 2015, The University of Queensland, Brisbane, Australia. *European Population Conference 2016*, Mainz, 31 August-3 September, 2016.

Baizán P., “The policy context of fertility in Spain: towards a gender-egalitarian model?”, invited talk given at the conference “*Policy responses to rapidly aging populations*”, organized by the East-West Center and the Korea Institute for Health and Social Affairs, Honolulu, August 25-27, 2014.

Baizán P., Arpino B. and Delclós C.E., “Educational specificity of the effect of public policies on completed fertility”, *2014 Population Association of America* annual meeting, Boston, May 1-4. *European Association for Population Studies 2014* conference, Budapest, June 25-28.

Baizán P., and González-Ferrer A., “What drives Senegalese migration to Europe? The role of economic restructuring, labor demand and the multiplier effect of networks”. Invited talk given at the workshop “*The decision to emigrate. Agent-based modeling of international migration*”, Max-Planck Institute for Demographic Research, Rostock, 25-27 September 2013.

Baizán P., and González-Ferrer A., “The role of migration in explaining the timing and type of partnership formation among the Senegalese”. *IUSSP 27th International Population Conference*, 26-31 August 2013, Busan, Korea. *2014 Population Association of America* annual meeting, Boston, May 1-4.

Baizán P. “Who migrates out of Africa? Education, occupational status, and earnings as determinants of migration from Senegal to France, Italy and Spain” paper presented at *European Society for Population Economics 2011* conference in Hangzhou, China. *2012 Population Association of America* annual meeting, San Francisco, May 3-5.
