

CHARLES MOUTÉ

Data processing analyst

Cameroonian - Born January 22, 1986 - Married, two children

ABOUT ME

Demographer with a good competence of Stata, SPSS, CSPro, QGIS, Excel, Access and Mysql as well as programming languages R (ggplot2, shiny, rmarkdown, ...), SQL, Java, C, HTML 5, CSS3 and VBA. Member of IUSSP and UAPS since 2013, I am particularly interested in issues related to the conditions and benefits of the demographic dividend in Africa, as well as the dynamics of life courses and their influence on health status sexual and reproductive health of people living in sub-Saharan Africa.
