

ILENE S. SPEIZER

Department of Maternal and Child Health
University of North Carolina at Chapel Hill
Gillings School of Global Public Health
123 W. Franklin St., CB #8120
Chapel Hill, NC 27516
Phone: (919) 259-4072
Email: ilene_speizer@unc.edu

EDUCATION AND TRAINING

- 1994 PhD, Johns Hopkins University School of Hygiene and Public Health, Baltimore, MD.
Population Dynamics: Minor in Biostatistics
- 1991 MHS, Johns Hopkins University School of Hygiene and Public Health, Baltimore, MD.
Population Dynamics
- 1987 BA, Washington University, St. Louis, MO. *Majors: Math and French*, Junior year at Université de Caen, France

PROFESSIONAL EXPERIENCE

- Feb. 2013 – present University of North Carolina at Chapel Hill, Gillings School of Global Public Health
Department of Maternal and Child Health
Research Professor
- Nov. 2005 – Jan. 2013 University of North Carolina at Chapel Hill, Gillings School of Global Public Health
Department of Maternal and Child Health
Research Associate Professor
- May 2006 – present Carolina Population Center, University of North Carolina at Chapel Hill
Faculty Fellow
- Aug. 2005 – Oct. 2005 Carolina Population Center, University of North Carolina at Chapel Hill
MEASURE Evaluation Project
Research Associate
- Sept. 2002 – June 2005 Consultant to Centers for Disease Control and Prevention (CSC then SAIC)
Division of Reproductive Health, Teen Pregnancy/Unintended Pregnancy Group
Senior Research Scientist
- Jan. 2002 – June 2005 Virginia Commonwealth University
Department of Epidemiology and Community Health, Richmond, VA
Clinical Associate Professor
- July 1996 – Jan. 2002 Tulane University School of Public Health and Tropical Medicine
Department of International Health and Development, New Orleans, LA
Assistant Professor, Promotion and Tenure granted June 2002
- 1998 – 2000 Reviewer for FRONTIERS Operations Research Small Grants Program.
Assessed the scientific merit of operations research projects to be funded by USAID.

1994 - 1996	Carolina Population Center, University of North Carolina at Chapel Hill <i>Mellon Postdoctoral Fellow</i>
Sept. - Dec. 1992	Centre d'Etudes et de Recherche pour la Population et Développement Bamako, Mali, West Africa <i>Mellon Fellow</i>
1990 - 1992	Johns Hopkins University School of Hygiene and Public Health, Baltimore, MD, <i>Research Assistant</i>
1990	Harvard School of Public Health, Boston, MA <i>Staff Assistant</i>
1987 - 1989	Peace Corps, Niamtougou Togo, West Africa <i>Head Mathematics Teacher</i>

HONORS AND AWARDS

2016 - 2017	RTI University Scholar (RTI covered 50% of salary for the year)
1992 - 1994	National Institutes of Health Training Grant

MEMBERSHIPS

2005 – present	Triangle Area Population Society; 2009-2011 President 2007-2009 Vice President/President Elect
1996 – 2015	American Public Health Association
1994 – present	Population Association of America

PUBLICATIONS

Peer-reviewed publications (* student/post-doc co-author)

Book Review

Critical Issues in Reproductive Health by Andrzej Kulczycki, editor. New York: Springer, 2012, 339 pages, in Studies in Family Planning 2014; 45(3):411-413.

Promoting Adolescent Sexual and Reproductive Health in East and Southern Africa, by Klepp KI, Flisher AJ, Kaaya SF, editors. Cape Town: HSRC Press, 2008, 344 pages, in Studies in Family Planning 2009;40(3):258-59.

TEACHING ACTIVITIES

Spring 2026	Lead MHCH 680 – Global Sexual and Reproductive Health course (21 students)
Fall 2025	Lead MHCH 723 – Monitoring and Evaluation for Global MCH Programs (35 students)
Spring 2025	Lead MHCH 680 – Global Sexual and Reproductive Health course (29 students, including 3 auditors)
Spring 2024	Lead MHCH 680 – Global Sexual and Reproductive Health course (20 students)
Spring 2022	Lead MHCH 680 – Global Sexual and Reproductive Health course (39 students)
Spring 2021	Lead MHCH 680 – Global Sexual and Reproductive Health course (36 students)
Spring 2020	Lead MHCH 680 – Global Sexual and Reproductive Health course (50 students)
Spring 2019	Lead MHCH 680 – Global Sexual and Reproductive Health course (63 students)
Spring 2018	Lead MHCH 680 – Global Sexual and Reproductive Health course (54 students)
Spring 2026	Guest Lecturer – MHCH 716 – International Family Planning and Reproductive Health – lecture on person-centered measurement
Spring 2025	Guest Lecturer – MHCH 716 – International Family Planning and Reproductive Health – lecture on quality of care
Spring 2025	Guest Lecturer – MHCH – Second year Doctoral Research Seminar
Fall 2017-2025	Guest Lecturer PUBH 711 – Critical Issues in Global Health – lecture on Global Sexual and Reproductive Health
Spring 2015	Guest Lecturer MHCH – Foundations Course - Adolescent Sexual and Reproductive Health Programs and Evaluations
2007-2015	University of North Carolina at Chapel Hill, Department of Maternal and Child Health, MHCH 723, Introduction to Monitoring and Evaluation of MCH Programs, Fall, 2015 - co-taught (25 students); Fall, 2014 - co-taught (28 students); Fall, 2013 - (35students); Fall 2012 - (33 students); Fall 2011 - (24 students); Fall 2010 - (31 students) Fall 2009 - (23 students); Fall 2008 - (24 students); Fall 2007 - (18 students) Spring 2007 - (20 students – listed as MHCH 740)
Fall 2013	Guest Lecturer – Global Public Health Course - Monitoring and Evaluation in Global Health - Defining Health and Development Indicators
Spring 2012	Guest Lecturer MHCH 740 Maternal and Child Health Research Methods II – Session on MLE Study Design

Spring 2010	Guest Lecturer MHCH 862 Program Evaluation – Session on M&E
Spring 2007	Guest Lecturer MHCH 716 International Family Planning and Reproductive Health: Adolescent Reproductive Health.
2004	Virginia Commonwealth University MPH Program – Fundamentals of Data Collection, Management, and Analysis. 8 students
1996-2002	Tulane University, Department of International Health and Development – Introduction to Population Studies; Programs and Policies in Health, Population, and Nutrition in Developing Countries (co-taught); Adolescent Health; Intermediate Research Methods for Health, Population, and Nutrition Problems in the International Context.

Postdoctoral Supervisions

- Colin Baynes, PhD Global Health University of Washington, Postdoctoral Fellow Carolina Population Center, 2023.
- Sowmya Rajan, PhD Sociology Duke, Postdoctoral Fellow Carolina Population Center, 2014-2016
- Keila Gomes, DrPh Nursing, Postdoctoral Fellow Carolina Population Center, 2006-2007

Doctoral Dissertation Mentor and Chairperson for Maternal and Child Health Students

- Fall, 2021-2025, Alinda Young, Dissertation Advisor
- Fall, 2021-2024, Stephanie Bogdewic, Dissertation Advisor
- Fall, 2022-2023, Martina Spain, Mentor
- Fall, 2018-2023, Alice Cartwright, Dissertation advisor, Neighborhood Structural Deprivation and Contraceptive Use in the US: National Variation and Changes as a Result of Medicaid Expansion
- Spring 2015-2019, Jennet Arcara, Dissertation advisor, Abortion and Autonomy in Urban India
- Spring 2015-2017, Kashika Sahay (PhD), Dissertation advisor, Couples' Agreement on Gender Norms and Modern Contraceptive Use in Urban Nigeria
- Fall 2011-Spring 2016, Chinelo Okigbo (PhD), Advisor, A Multilevel Analysis of Socioecological Factors Associated with Modern Contraceptive Use in Urban Nigeria
- Fall 2012-Fall, 2015, Shane Khan (PhD), Advisor, Dissertation title: The Delivery of Post Natal Care and its Association with Newborn Survival and Feeding: A focus on Africa
- Fall 2008-August, 2012, Laili Irani (PhD) Dissertation title: Family planning in urban Kenya: An examination of the factors affecting contraceptive use. Graduated August, 2012
- Fall 2006-May 2010, Ghazleh Samandari (DrPH) Dissertation title: Contraceptive use in Cambodia: A multi-method examination of determinants and barriers to modern contraception. Graduated May 2010
- Fall 2007-May 2010, Anu Manchikanti Gomez (PhD). Dissertation title: Intersections of gender equity, intimate partner violence and relationship dynamics among Brazilian youth. Graduated May 2010

Member of Doctoral Curriculum/Dissertation Committee for MCH Students (Not Primary Advisor)

- 2023-present, Elikem Togo
- 2022-2025, Marissa Velarde
- 2022-present, Assanatou Bamogo

Supervision of Students within Other Departments at UNC (not primary mentor)

- 2024-2026, Lucy Tatum, Environmental Sciences and Engineering, committee member
- 2018-2021, Emily Mangone, Health Policy and Management PhD student, committee member
- 2017-2019, Brigid Grabert, Health Policy and Management PhD student, committee member
- 2015-2018, Nivedita Bhushan, Health Behavior PhD student, committee member
- 2015-2018, Kate Sheahan, Health Policy and Management PhD student, committee member
- 2016-2018, Rayan Joneydi, Economics PhD student, committee member
- 2016-2019, Lisa Albert, Epidemiology PhD program, committee member
- 2010-2014, Katherine Tumlinson, Epidemiology PhD program, committee member, defended final dissertation in March, 2014
- 2007-2009, Caryl Feldacker, HBHE/PhD/SPH – committee member, defended final dissertation in March 2009
- 2008-2009, Natalie Blackburn, International studies (undergraduate honors), defended, March, 2009

CONTRACTS AND GRANTS

ACTIVE:

8/2024-7/2029 UNC Injury Prevention Research Center
Agency: CDC/NCIPC
Role: Investigator
Amount: 4.25M (total)

COMPLETED:

11/2017-5/2024 Full Access, Full Choice: Increasing Youth's Access to Expanded Method Choice.
Agency: Bill & Melinda Gates Foundation
Role: Principal Investigator
Amount: \$4M (total)

9/2017-6/2023 Understanding and Addressing the Multilevel Influences on Uptake and Adherence to HIV Prevention Strategies among Adolescent Girls and Young Women in sub-Saharan Africa
Agency: Research Triangle Institute (RTI International)
Role: Principal Investigator
Amount: \$133,341 (total)

7/2014-6/2020 MEASURE Evaluation Phase IV. Global Monitoring and Evaluation Project.
Agency: USAID
Role: Investigator (leading evaluation in South Africa); Principal Investigator: James Thomas.
Amount: \$180 million (total)

11/2016-12/2019 NURHI Sustainability Study (Nigeria).
Agency: Bill & Melinda Gates Foundation
Role: Principal investigator
Amount: \$1.7M (total)

10/2015-3/2018 Evaluation of a Quality Improvement Maternal and Newborn Intervention in Ethiopia
Agency: Institute for Healthcare Improvement (IHI)
Role: Investigator; Principal Investigator: Kavita Singh
Amount: \$500,000 (total)

7/2010 – 12/2015 Evaluation of Project Fives Alive! in Ghana.
Institute for Healthcare Improvement (IHI)
Role: Principal Investigator (Co-Principal Investigator: Kavita Singh)
Amount: \$1,627,875 (total)

2009 – 2018 Measurement, Learning, and Evaluation for the Urban Reproductive Health Initiative
Agency: Bill & Melinda Gates Foundation.
Role: Co-Principal Investigator and Technical Deputy Director (Principal Investigator: David Guilkey)
Amount: \$28 million (total)

10/2008 – 9/2013 MEASURE Phase III Monitoring and Assessment for Results (MMAR-III) Population and Reproductive Health (PRH) Associate Award.
Agency: USAID
Role: Principal Investigator
Amount: \$4,533,000 (total)

8/2007 – 7/2009	Partner Violence Norms & HIV Risk-Taking Among Youth in Sub-Saharan Africa Agency: NIH (NICHD) Role: Principal Investigator Amount: \$50,000 direct per year for two years
1/2005 – 1/2009	MEASURE Evaluation Project Agency: USAID Role: Research Associate/Deputy Director (Principal Investigator: Siân Curtis.) Amount: Approximately \$84 million (total)
2002 – 2004	Youth Tobacco Evaluation Project Agency: Virginia Tobacco Settlement Foundation Role: Lead Evaluator (Principal Investigator: Elizabeth Fries) Amount: Approximately \$700,000 direct per year for two years
2000 – 2003	Determinants of Unintended Pregnancy Risk in New Orleans, LA. Agency: CDC/ASPH/ATSDR Coop. Agreement Grant Role: Principal Investigator Amount: Approximately \$175,000 direct and indirect per year for three years
1995 – 2001	FOCUS on Young Adults Project. Agency: USAID Role: Participating Investigator/PI for Francophone West African activities (Principal Investigator: Robert Magnani) Amount: Approximately \$85 million (total)

2005	Johns Hopkins Gates Institute for Population and Reproductive Health – External evaluator for self-study of first five years of funding to Gates Institute.
2004	Futures Group International – Participated in the development of a survey questionnaire, interviewer manual, and data analysis for the evaluation of FOSREF services for youth in Haiti.
2003	JHPIEGO – Reviewer of Birth Preparedness and Complications Readiness Manual and survey design.
2000 – 2001	West and Central Africa Project (USAID funded) – Evaluated a peer education program in Cameroon; Reviewer of adolescent social marketing evaluation materials.

2000 Mellon Foundation – Reviewer of grant proposal on adolescent reproductive health program evaluation.

FACULTY ENGAGEMENT

- November, 2012 Organize and lead paper writing workshop for the Nigeria National Population Commission and the Nigeria Federal Ministry of Health, Abuja, Nigeria. Objective of the workshop is to build collaboration between researchers and policy makers and provide skills to answer key policy questions that result in changes in family planning programs and policies in Nigeria. A paper from this workshop was published by Nigerian authors: Media influence on sexual activity and contraceptive use: A cross sectional survey among young women in Urban Nigeria. Bajoga UA, Atagame KL, Okigbo CC. African Journal of Repro Health. (2015)
- December, 2011 Led Monitoring and Evaluation training (in French) in Dakar, Senegal. 40 francophone participants were included in the one-day workshop. Participants came from 9 countries and included people from varying organizations including UNICEF, National Statistical Bureaus, UNESCO, PATH, IPPF affiliates, and the leaders of a youth organization.
- September, 2011 Led online forum on youth sexual risk-taking in urban areas – forum undertaken twice, once in English; once in French. English forum had 379 participants from 61 countries; 25 people contributed from 11 countries (81% of contributors from developing countries).
- 2007 Training of public health program leaders in monitoring and evaluation skills specifically for varying audiences:
- December, 2007 – Interagency Youth Working Group – session on Monitoring and Evaluation of Community Involvement Programs
 - November, 2007 – Interagency Gender Working Group – session on Monitoring and Evaluation of Gender Based Violence Programs
 - October, 2007 – USAID Mini-University – focus on adolescent reproductive health
