

## VITAE

### Joseph E. Potter

Population Research Center  
The University of Texas at Austin  
1 University Station – Mail Stop G1800  
CLA 2.620C  
Austin, Texas 78712  
W: (512) 471-8341  
H: (512) 494-1958  
Fax: (512) 471-4886  
E-Mail: [joe@prc.utexas.edu](mailto:joe@prc.utexas.edu)

#### **Present Position:**

Since 1989     Professor, Department of Sociology; Faculty Research Associate, Population Research Center, The University of Texas at Austin.

#### **Previous Positions:**

1983 - 1989     Associate Professor of Demography, Department of Population Sciences, Harvard School of Public Health, Harvard University  
1979 - 1983     Associate, Regional Office for Latin America and the Caribbean, The Population Council (Mexico City)  
1976 - 1983     Visiting Professor and Research Associate, Center for Studies of Demography and Urban Development, El Colegio de México (Mexico City)  
1976 - 1979     Staff Associate, International Review Group of Social Science Research on Population and Development, El Colegio de México  
1976 – 1976     Staff Associate, Center for Policy Studies, The Population Council (New York)  
1975 - 1976     Research Associate, Office of Population Research, Princeton University  
1970 - 1971     Capital Development Officer, U.S. Agency for International Development (Panamá, R. de P.; on loan from US Army)  
1968 - 1971     United States Army

#### **Education:**

1975     Ph.D. in Economics, Princeton University  
1973     M.P.A. in Economics and Public Affairs, Woodrow Wilson School of Public and International Affairs, Princeton University  
1968     B.A. in Economics, Yale University

### **Advisory and Editorial Boards:**

International Outreach Committee of the Population Association of America, 1996-2002  
Editorial Advisory Committee, International Family Planning Perspectives, 1994-2000  
Board of Directors, Population Communications International, 1994-2000  
Editorial Advisory Committee, Papeles de Población, 2002-  
Editorial Advisory Board, Estudios Demográficos y Urbanos, 2002-2011  
Board of Directors, Population Association of America, 2004-2006  
Committee for Robert Lapham Prize, Population Association of America, 2007- 2009  
Nominating Committee, Society of Family Planning, 2009-2011  
Memorial Committee, Population Association of America, 2013-  
Board of Trustees, Women's Health and Family Planning Association of Texas, 2014-

### **Professional Associations:**

International Union for the Scientific Study of Population (IUSSP)  
Population Association of America (PAA)  
Brazilian Population Studies Association (ABEP)  
Mexican Demographic Society (SOMEDE)  
Latin American Population Association (ALAP)  
Society of Family Planning (SFP)

### **Fellowships:**

Ritchie H. Reed Fellowship in Population and Economics, The Population Council, 1973-1975.  
Fulbright Teaching and Research Fellowship, University of Campinas, Brazil, 1994-1996.  
Faculty Research Assignments, Univ. of Texas, Spring 1995, Fall 2001, and Spring 2008.  
Faculty Research Leave, Lozano Long Institute of Latin American Studies, U. Texas, Fall 2008.  
Big XII Faculty Fellowships, U. of Texas-Colorado U., Fall 2001, Spring 2007, Spring 2009.

### **Research and Training Grants Support (since 2001):**

Principal Investigator – Evaluating the Impact of Reproductive Health Legislation Enacted by the 83<sup>rd</sup> Texas Legislature, Anonymous Foundation, 2013-2016, \$2,666,861.

Co-Investigator -- Comparing Contraceptive Choices and Continuation among Post-Abortion Patients with and without Free Access to Long-Acting Reversible Contraception, Society of Family Planning, 2014-2016, \$120,000 (Vinita Goyal, P. I.).

Principal Investigator -- Demographic Diversity in the Measurement and Meaning of Unintended Pregnancy, NICHD, F31HD079182, 2013-2015, \$77,004 (Doctoral Dissertation Research: Abigail R. A. Aiken).

Principal Investigator – Demand for Postpartum Contraception in Texas, Society of Family Planning, 20013-2015, \$120,000.

Principal Investigator – Evaluating the Impact of Reproductive Health Legislation Enacted by the 82<sup>nd</sup> Texas Legislature, Anonymous Foundation, 2011-2014, \$1,901,368.

Principal Investigator – Postpartum Contraception in the United States, Population Research Center, 2010-2011, \$12,000.

Principal Investigator – Oral Contraceptive Use Along the US-Mexico Border, NICHD, ARRA Supplement to R01HD047816, 2009-2011, \$164,158.

Principal Investigator -- Unmet Demand for Surgical Sterilization among Mexican Origin Women, Society of Family Planning, 2009-2011, \$120,000.

Principal Investigator – Oral Contraceptive Use Along the US-Mexico Border, NICHD, R01HD047816-01A1, 2005-2012, \$2,129,977.

Principal Investigator - Demographic Change and Economic Wellbeing at the Local Level in Mexico and Brazil, The John D. and Catherine T. MacArthur Foundation, 2005-2009, \$250,000.

Principal Investigator - Childbearing Preferences in Times of Crisis: Economic and Sociocultural Processes and Explanations (Doctoral Dissertation Research: Sara Yeatman), NSF Award No. 0623543, 2006-2007, \$7,495.

Principal Investigator - Training Grant in Population Studies, NICHD, 5T32-HD007081-27, 2003-2008, \$1,093,237.

Co-Investigator - Project on Religion and Economic Change, Metanexus Institute, \$500,000, 2005-2008 (R. Woodberry, PI).

Principal Investigator - The Fertility Transition in Brazil: 1960-2000, NICHD, R01HD041528-01A1, 2002-2007, \$540,000 (direct costs).

Co-Principal Investigator (with R. Hummer and B. Roberts) - Center for the Study of Urbanization and Internal Migration in Developing Countries, The Andrew Mellon Foundation, 2000-2003, \$510,000; 2003-2005, \$450,000.

Principal Investigator - Preservation, Integration and Dissemination of Public-Use Microdata Series-Brazil, Subcontract with Univ. of Minnesota (NSF grant to S. Ruggles, P.I.), 2000-2003, \$140,100 in direct costs.

Principal Investigator - Research and Training Program in Quantitative Analysis for Brazilian Social Scientists, The Ford Foundation, 2000-2002, \$130,000; 2003-2006, \$195,000.

Principal Investigator - Research and Training in Latin American Population Issues, The William and Flora Hewlett Foundation, 2000-2003, \$360,000; 2004-2006, \$360,000.

Principal Investigator - Sterilizations, Cesareans, and Contraceptive Choice, NICHD, R01-HD33761, 1996-2002, \$502,641 (direct costs).

## PUBLICATIONS

### Articles:

“Contraception After Delivery and Short Interpregnancy Intervals among Women in the United States,” *Obstetrics & Gynecology*, forthcoming, 2015 (with Kari White and Stephanie B. Teal).

“The impact of reproductive health legislation on family planning clinic services in Texas,” *American Journal of Public Health*, forthcoming, 2015 (with Kari White, Kristine Hopkins, Abigail R. A. Aiken, Amanda Stevenson, Celia Hubert, and Daniel Grossman).

“Women’s Experiences Seeking Affordable Family Planning Services in Texas,” *Perspectives on Sexual and Reproductive Health* 47(2): TK, 2015 (with Kristine Hopkins, Kari White, Fran Linkin, Celia Hubert, and Daniel Grossman).

“Change in Abortion Services After Implementation of a Restrictive Law in Texas,” *Contraception* 90: 496-501, 2014 (with Daniel Grossman, Sarah Baum, Liza Fuentes, Kari White, Kristine Hopkins, and Amanda Stevenson).

“Unmet Demand for Highly Effective Postpartum Contraception in Texas,” *Contraception* 90: 488-495, 2014 (with Kristine Hopkins, Abigail R. A. Aiken, Celia Hubert Lopez, Amanda J. Stevenson, Kari White, Daniel Grossman).

“The Growth of Protestantism in Brazil and its Impact on Male Earnings, 1970-2000,” *Social Forces* 93(1): 125-153, 2014 (with Ernesto F. L. Amaral and Robert D. Woodberry).

“Reconsidering Racial/Ethnic Differences in Sterilization in the United States,” *Contraception* 89: 550-556, 2014 (with Kari White).

“The Public Health Threat of Anti-Abortion Legislation,” *Contraception* 89: 73-74, 2014 (with Daniel Grossman, Kari White, and Kristine Hopkins).

“Medicaid Policy on Sterilization — Anachronistic or Still Relevant?” *New England Journal of Medicine* 370(2): 102-104, 2014 (with Sonya Borrero, Nikki Zite, and James Trussell).

“Variation in Postpartum Contraceptive Method Use: Results from the Pregnancy Risk Assessment Monitoring System (PRAMS),” *Contraception* 89: 57-62, 2014 (with Kari White, Kristine Hopkins, and Daniel Grossman).

“Potential Unintended Pregnancies Averted and Cost Savings Associated with a Revised Medicaid Sterilization Policy,” *Contraception* 88: 691-696, 2013 (with Sonya Borrero, Nikki Zite, James Trussell, and Kenneth Smith).

“Effects of the Age-Education Structure of Female Workers on Male Earnings in Brazil,” *Poverty & Public Policy* **5**(4): 336-353, 2013 (with Ernesto Friedrich de Lima Amaral, Mariana Eugenio Almeida, and Eduardo Luiz Goncalvez Rios-Neto).

“Are Latina Women Ambivalent about Pregnancies They are Trying to Prevent: Evidence from the Border Contraceptive Access Study,” *Perspectives on Sexual and Reproductive Health* **45**(4): 196-203, 2013 (with Abigail Aiken).

“Interest in Over-the-Counter Access to Oral Contraceptives among Women in the United States,” *Contraception* **88**: 544-552, 2013 (with Daniel Grossman, Kate Grindlay, Rick Li, James Trussell, and Kelly Blanchard).

“Hypertension Among Oral Contraceptive Users in El Paso, Texas,” *Journal of Health Care for the Poor and Underserved* **24**: 1511-1521, 2013 (with Kari White, Kristine Hopkins, Jon Amastae, and Daniel Grossman).

“Lessons for Border Research: The Border Contraceptive Access Study.” Pp. 249-264, in *Uncharted Terrains: New Directions in Border Research Methodology, Ethics, and Practice*, edited by Anna Ochoa O’Leary, Colin M. Deeds, and Scott Whiteford. Tuscon: The University of Arizona Press, 2013 (with Jon Amastae, Michele Shedlin, Kari White, Kristine Hopkins, and Dan Grossman).

“Bayes plus Brass: A New Procedure for Estimating Total Fertility in a Large Set of Small Areas from Sparse Census Data,” *Population Studies* **67**(3): 255-273, 2013 (with Carl P. Schmertmann, Suzana Cavenaghi, and Renato M. Assunção).

“Knowledge and Attitudes about Long-Acting Reversible Contraception among Latina Women Who Desire Sterilization,” *Women’s Health Issues* **23**(4): e257-e263, 2013 (with Kari White, Kristine Hopkins, and Daniel Grossman).

“Patterns of Contraceptive Use among Mexican-Origin Women,” *Demographic Research* **28**(41): 1199-1212, 2013 (with Kari White).

“Age, Education and Earnings in the Course of Brazilian Development: Does Composition Matter?” *Demographic Research* **28**: 581-612, 2013 (with Ernesto F. L. Amaral, Daniel S. Hamermesh, and Eduardo L. G. Rios-Neto).

“Knowledge and Beliefs about Reproductive Anatomy and Physiology among Mexican-Origin Women in the U.S.A -- Implications for Effective Oral Contraceptive Use,” *Culture, Health & Sexuality* **15**(4): 466-479, 2013 (with Michele Shedlin, Jon Amastae, Kristine Hopkins, and Daniel Grossman).

“The Impact of Outmigration of Men on Fertility and Marriage in the Migrant-Sending States of Mexico, 1995–2000,” *Population Studies* **67**(1): 83-95, 2013 (with Kari White).

“Hospital Variation in Postpartum Tubal Sterilization Rates in California and Texas,” *Obstetrics and Gynecology* **121**(1): 152-158, 2013 (with Amanda J. Stevenson, Kari White, Kristine Hopkins, and Daniel Grossman).

“Changes in Service Delivery Patterns after Introducing Telemedicine Provision of Medical Abortion in Iowa,” *American Journal of Public Health* **103**(1): 73-78, 2013 (with Daniel Grossman, Kate Grindlay, Todd Buchacker, and Carl P. Schmertmann)

“Cutting Family Planning in Texas,” *New England Journal of Medicine* **367**(13): 1179-81, 2012 (with Kari White, Daniel Grossman, and Kristine Hopkins).

“Frustrated Demand for Sterilization Among Low-Income Latinas in El Paso, Texas,” *Perspectives on Sexual and Reproductive Health* **44**(4): 228-235, 2012 (with Kari White, Kristine Hopkins, Sarah McKinnon, Daniel Grossman, Michele Shedlin, and Jon Amastae).

“Reproductive Health Preventive Screening Among Clinic vs. Over-the-Counter Oral Contraceptive Users,” *Contraception* **86**: 376-382, 2012 (with Kristine Hopkins, Daniel Grossman, Kari White and Jon Amastae).

“Contraindications to Progestin-only Oral Contraceptive Pills among Reproductive-aged Women,” *Contraception* **86**: 199-203, 2012 (with Kari White, Kristine Hopkins, Leticia Fernández, Jon Amastae, and Daniel Grossman).

“Long Term Influences of Age-Education Transition on the Brazilian Labour Market,” *Bulletin of Latin American Research* **31**(3): 302-319, 2012 (with Ernesto Friedrich De Lima Amaral and Eduardo Luiz Gonçalves Rios-Neto).

“Continuation of Prescribed Compared With Over-the-Counter Oral Contraceptives,” *Obstetrics & Gynecology* **117**(3): 551-557, 2011 (with Sarah McKinnon, Kristine Hopkins, Jon Amastae, Michele G. Shedlin, Daniel A. Powers, and Daniel Grossman).

“Contraindications to Combined Oral Contraceptives Among Over-the-Counter Compared With Prescription Users,” *Obstetrics & Gynecology* **117**(3): 558-565, 2011 (with Daniel Grossman, Kari White, Kristine Hopkins, Jon Amastae, and Michele Shedlin).

“An Innovative Methodology for Space-Time Analysis with an Application to the 1960-2000 Brazilian Mortality Transition,” in *Navigating Time and Space in Population Studies*, International Studies in Population, Vol. 9, edited by Myron P. Gutmann, Glenn D. Deane, Kenneth M. Sylvester, and Emily R. Merchant, Springer, pp. 19-36, 2011 (with Carl P. Schmertmann and Renato M. Assunção).

“O Papel da Demografia e da Educação no Rendimento Medio de Longo Prazo dos Homens no Brasil: Simulações com o Modelo de Oferta e Demanda por Trabalho,” in *O Estado da Arte em Economia*, edited by Antonio Delfim Netto. São Paulo: Editora Saraiva, pp. 201-217, 2011 (with Eduardo Luiz Gonçalves Rios-Neto and Ernesto Friedrich De Lima Amaral).

“Religión e Iniciación Sexual Pre-Marital en México,” *Revista Latinoamericana de Población* Año 4, No. 7, pp. 7-30, 2010 (with Eunice Vargas Valle and Georgina Martínez Canizales).
